## **G.L.O.W. Church Board Proposal**

GLOW (Giving Light to Our World) is a Evangelism Initiative whose aim is to train, inspire, and equip every willing hearted church member to be a literature evangelist by means of free distribution or sales. *"Let every believer scatter broadcast tracts and leaflets and books containing the message for this time."* R&H, Nov. 12, 1903. The first steps to implement this program in your church are listed below.

1. Create a budget for the literature and initial start up materials:
  - a. Initial materials for the kick off weekend are dependent on church attendance and participation on the kick off weekend. The cost for each individual is \$1.50 for literature. This cost includes: 30 GLOW tracts both Spanish and English. Adjustments can be made in regards to the amount of literature desired for each person for the kick-off weekend to help reduce the initial cost if needed.
  - b. For continuance of the GLOW program it takes ~\$83.33 per month plus tax and shipping to maintain the church's ongoing need for literature. This provides for 5,000 pieces per three months.
  - c. All GLOW bills for Central California Conference Churches will show up in the monthly statement issued by the Conference.
  
2. Approve a GLOW Publishing Ministries Coordinator for the church to run the GLOW program.\*

\*This person must be able to meet the responsibilities listed on the following page entitled: *GLOW Publishing Ministries Coordinator*
